Ice-breaker: When you hear the word "legacy," what is the first thing that comes to mind?

Questions

1. In what areas of your life are you most tempted to build a monument to yourself rather than deposit into others?
2. Think about someone whose life has left a lasting spiritual fragrance on you. What was it about them that made such an impression?
3. Pastor Joe pointed out that the aroma of religion -- marked by harshness, bitterness, or lovelessness -- can actually push people away from God. How do you evaluate the spiritual aroma of your home, your workplace, or your relationships?

Prayer

Lord, keep us from complacency and develop in us a hearing ear for what You are saying about the future. That our lives would carry the sweet aroma of Christ and legacy would be marked by eternal impact. Amen.
