Key Takeaways

- The church is the hands, feet, and heart of Jesus, reaching one person at a time.
- God has chosen to work through people. He limits Himself by requiring human participation and obedience.
- Your personal yes to God creates a yes in someone else's life.
- The church is the only institution on earth that can bring genuine healing, hope, and a sense of home to people.
- Giving is not merely a financial transaction. It is an act of faith that invites God's supernatural involvement in what would otherwise be ordinary circumstances.
- Heaven comes to earth when someone on earth says, "Here am I. Send me."
